Re: New York State Teamsters Conference Pension and Retirement Fund

Dear Mr. Berger:

Based on years of hard work, I have a right to pension benefits from the New York State Teamsters Conference Pension and Retirement Fund (the "Fund"). The Fund has notified me that it has filed an application with the U.S. Department of the Treasury to cut those benefits under the Multiemployer Pension Reform Act ("MPRA"). According to the Fund, it has requested that the Treasury Department approve a 31% benefit cut for retirees, beneficiaries, terminated vested participants, and all other non-active participants (except for non-active participants that are protected from those cuts, in whole or part, by MPRA), and a 20% cut for active participants.

I respectfully submit the following comments concerning the Fund's pending application with the Treasury Department:

Thank you in advance for your careful review of my comments.

Respectfully,
